

Dreams and Goals tracking app

BucketList app allows you to record and share things you want to achieve or experience before reaching a certain age.

[Get Started](#)

Create

Create a bucket and add your goals and dreams you want to achieve

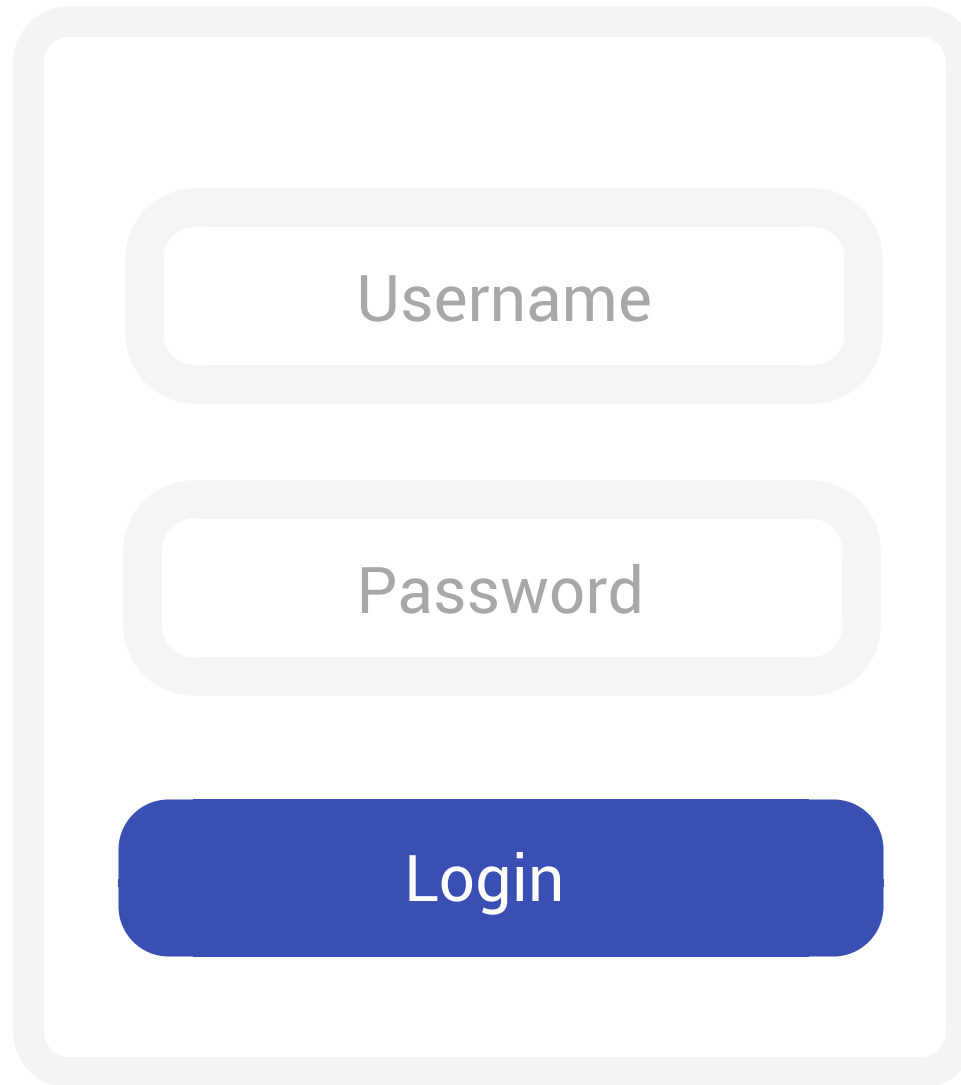

Edit

Changed your mind or made a typo? No problem you can edit the bucket and its items

Share

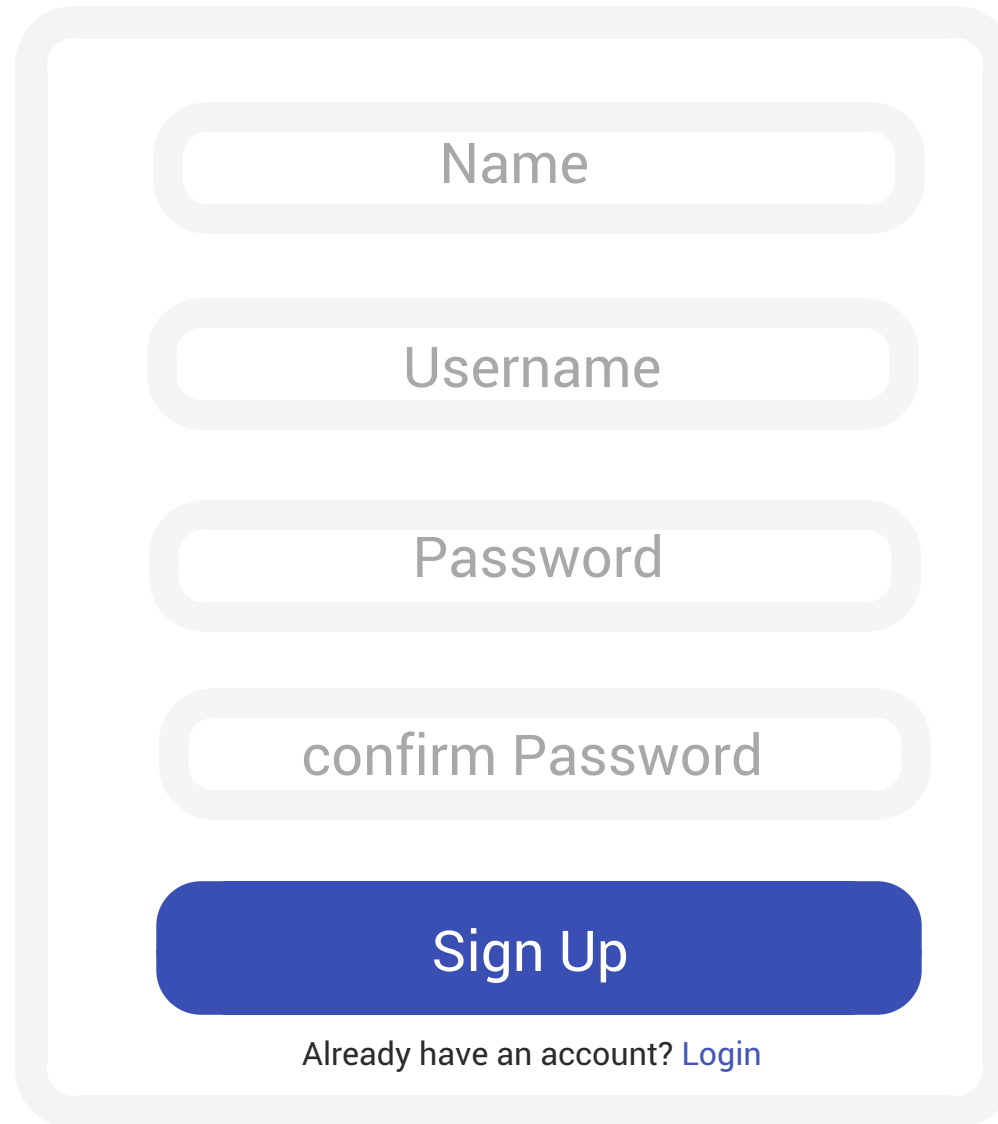

We know you always want to share your achievements with family and friends. Easily share your goals with them

A login form with a light gray border and rounded corners. It contains three rounded rectangular input fields stacked vertically. The top two fields are white with light gray borders and contain the text 'Username' and 'Password' respectively. The bottom field is a solid blue button with the text 'Login' in white.
